Bethlehem University Foundation Endowed Fund Pledge Agreement

Donors who wish to provide a sustaining and lasting gift do so through establishing an endowed fund with the Bethlehem University Foundation. The Foundation invests your gift and uses the interest earned to provide funding for your intention, in your name, each year. Endowed funds have been established to fund specific faculties (schools) or programs at the University, to provide assistance that help faculties (schools) grow, to buy equipment, to pay for educational programs, or other uses as specified by the donor. Endowed funds are managed by the Board of Directors of the Foundation and are invested in the United States with a financial institute identified by the Board of Directors.

Establishing an Endowed Fund

With a gift of \$30,000, you can establish an endowed fund. An endowed fund is fully funded at \$100,000. With a down payment of at least \$30,000 accompanied with this signed pledge agreement, an endowed fund will be established by the Foundation. Many of the endowed funds are created by individuals or organizations pooling their donations. Endowed fund payments can be completed over a period of five years.

Please provide a name for your endowed fund if you would like to name it.	
Identify the purpose of the endowed fund.
